Guest 0

Invocation given by: Alan Brodt

Health and Cheer

Don Huhn reported that Bill Small is going in for a knee replacement

Glad hander

Jim Gaston gave John Linnenberg a Graeters gift certificate

Program : Jennifer Lemons presented today's program on Genetic Counseling. This field opened up as a career path in 1969. Today there are 31 masters programs in the U.S. Genetic counseling plays a role in understanding human disorders and how to deal with them. I.e. - When screening reveals early on-set Alzheimer's or hereditary breast or ovarian cancer this counseling can assist in Life planning. Thought provoking questions followed.

Future Programs: chaired by Lee Strawhun Jr.

Feb 9: Gordon & Linda Hone “My Neighborhood Place”
