Gladhandler

Vic Johanson provided sweet donuts to Sweet Lauren.

Program

Larry Tepe introduced Wayne Wauligman a fellow dentist who spoke about birds, bird watching, an art, a sport. You can watch, count, through scopes, through binoculars, or just plain glasses. Quite a few organizations to join and plenty of places to watch.

Bulletin Writer Tony Upton

IN MEMORY

Jack Butcher

1921-2010

Congenial, friendly Kiwanian Jack Butcher shook hands and smiled with many of us last Tuesday when he attended the meeting after many months of treatment and recuperation from a dreaded cancer. He had only returned to our meetings for the past 2-3 weeks. Then, that Tuesday evening he fell in his garage and being on a blood thinner he bled and died on March 17 at the age of 88. Memorial services will be held at the Westwood First Presbyterian Friday March 26, at 4 pm with visitation from 3-4.

This year Jack would have received his 25 yr. Legion of Honor certificate since joining Westwood Cheviot Kiwanis in April, 1985. He has served well and conscientiously as chairman of our attendance committee in charge of greeting us as we arrived, collecting the tariff for our meals, marking attendance, and putting up our banners, podium, flags and the bell and gong. Jack also served as a board director and as a member of budget, bulletin, interclub and vocational guidance committees while he and Dottie worked the kitchen annually at our Harvest Home Fair.

Jack was a native west-sider, attended Western Hills High School with classmates Al Moeller, Bill Dickhoner and Lou Harrison. Jack was president of his junior (1938) and senior (1939) class, President of the Hi-Y cabinet, vice president of Maroon W, the honored flag bearer and he successfully quarterbacked the West High Maroons in football. He also served as the citywide president of Hi-Y.

Jack entered the Business Administration CO-Op program at UC and worked at the Cincinnati Milling Machine Co. He was a member of Sigma Chi fraternity. His college life was interrupted by the 20th. Air Force who had

him serve on Tinian Island in the Marianas. At the time he did not know what was going on behind the barbed wire area on Tinian until the A-Bombs were dropped on Hiroshima and Nagasaki from the Tinian base. Jack felt partially responsible for his part in bringing WW 11 to a screeching halt.

After UC graduation Jack and Dottie were married in 1948. They celebrated 61 years together. They have two children, Scott and Gail, and six grandchildren. Scott worked with the US state Dept. in Burma Malaysia Jakarta, Indonesia, Bangladesh and then in Washington DC. Gail lives in Denver where Jack and Dottie enjoyed visiting. After Jack learned the secrets of Colgate-Palmolive for eight months he joined P & G where he was employed for 36 years. He retired as director of the Payment and Accounting area for transportation where he handled \$3.5 Million per month.

Jack and Dottie were members of the Westwood First Presbyterian Church where Jack served as Deacon, Elder and Trustee and as chairman of the personnel committee on several occasions. For years he enjoyed playing for the church team in the YMCA church softball league. He also bowled, played golf and enjoyed gardening. Jack and Dottie loved traveling whenever possible including to Tahiti, Malaysia, Europe, Australia and New Zealand after retirement.

Cheviot-Westwood sadly says goodbye to a dedicated member and officer of the club as we appreciate his 25 years of conscientious fellowship and service. Thanks Jack.

Bill Gerhardt
