Program

Our own Ed Burke was today's speaker. Ed is a Graduate of St X, XU and UC's Law School.

Ed's career brought him to Cincinnati. He is heavily decorated for his military service.

The Battle of the Bulge was the deciding conflict in WWII as Germany made what amounted to a last stand trying to progress on the Western German front. A depleted German Army lost an estimated 86,000 men and surrendered less than 3 months after the defeat. Hitler went against popular opinion in this final loss. The US forces suffered about 80,000 casualties in this epic battle.

Thanks Ed for sharing your account of this heroic battle.
