## **Program** Dave Holt introduces speaker:

Retired Band Director – Taylor High School (28 years) and College of Mt St Joe's (7 years). Bruce Knapp

Mr. Knapp relayed stories of times with Andy Brady. Andy was his mentor and helped him in his career as a band director. He had many interesting stories and times with youths. Something about misspelling WEST HI during band competition. Fellows in the tuba section had a little spelling alignment problem and cause a bit of problems.

As Rev Holt say's – stories from a "Band Geek".
