## Announcements

Tony Upton filled us in on a fundraising cruise for Living Hope Transitional Home. It is to the Western Caribbean on the Carnival Liberty from Feb 12-19, 2011. This cruise has an excellent price and is a way for Living Hope to raise some much needed funds during these difficult times. More information can be obtained from Dave Martini at Cruise Holidays 481-3700.

Dick Powers has been approved for membership.

## Health and Cheer

Clint Seitz is recuperating at Twin Towers Health Center.

Roger Kuhn is at Mercy West.

Chuck Mitchell's sister tragically passed away.

Don Flick has moved into the Kiwanis retirement Center at Twin Towers.

Mike Kahsar gave away homegrown tomatoes.

**Glad hander** - Bob Westendorf promised Charlie Grisemer some sugar cookies.

**Next Week's meeting:** State Senator Bill Seitz will entertain us. Don't miss this one!!

Tom Baumann presented the Foster Williams Scholarship to Mary Schultz, a senior at Harrison High School. Congratulations to Mary.

### **Program**

The program was a report on the Harvest Home Fair lead by Pete Minges. Tony Upton was also at the head table, but I'm not sure why. The chair people of the various committees all seemed ready to go for what should be a very successful fair. The sign up, sheets should be ready next week. The plum jobs go quickly so sign up early and often.

**Remember, you are a unique human being. Just like everyone else.**
