Program

Tim Donovan introduced Tim Perrino as our guest speaker. It was brief so we could hear what is new in Theatre around Cincinnati!

Tim runs the Showboat Majestic which is a national landmark like the Washington Monument. It is one of the few floating theatres in the world.

Mr. Perrino went over his entrance into theatre which goes back to 1982 when he worked with young performers in Cincinnati. He spread his talents to St. Louis making him a Regional promoter which eventually lead to running the Showboat Majestic!

The Showboat was under the management of the University of Cincinnati prior to Tim and has grown in popularity with a strong following, much like the Covedale. Tim spoke of many times when funds were needed to keep the show afloat.

We are fortunate to have such entertainment as the Showboat and Covedale. Keep up the good work Tim.
