Dinner served by N to S and consisted of Chicken, mashed potatoes and cut green beans.

Dave Martini told his last joke as President. This was met with great applause.

**Rueben introduced and inducted two new members. I was not given the names and I do not want to risk spelling them incorrectly.
Welcome to Kiwanis!!**

No lunch meeting next week. Attend the President's Dinner if you need a Kiwanis fix!!

14 Kiwanians had birthdays this month. The average age is 64.7

Glad hander

Mindy Sweeney gave Dan Roth a pen, a calender and lottery tickets. I guess we are ready for all out gambling in the State of Ohio!

Program

Dave Jennings was introduced. He is the Division 8 leader of SWOKMHA. For those not familiar this stands for Southwestern Ohio Kiwanis Mental Health Association. After a brief description of the organization and a thank you to the Cheviot Westwood Kiwanis for donations, the microphone was turned over to Pam Magee from Beech Acres Parenting Center.

Pam described how their group has transitioned over their 160 year existence from orphanage based operations to Parental Assistance. The goal is to educate, assist, coach or train the family to deal with the needs of today's fragile youth. Intentional , Strength-based Parenting is the main focus. If a birth parent is not present, an available dedicated adult is trained to assist with the child.

Remember, there is no lunch meeting on 9-29-09.
